FLEXITRAIN - MAIDIE BROCKMAN

133 Adelaide Street Busselton.
Phone: 9752 1436 or 0409 521 436

Maidie has been a computer trainer for over twenty years and can teach you everything you need to know! She is happy to teach individuals or small groups and has a very friendly approach. Maidie will visit you at home in Busselton (travel out of Busselton is negotiable) or you can learn in her training area. Her charges are very reasonable.

COMPUTER WEST BUSSELTON

50 Bussell Highway Busselton.
Phone: 9754 2324

Computer West supply IT products across Australia with guaranteed support, service at competitive prices.

They also provide several computer training courses, such as iPad/iPhone Discovery and Learning, Mac OS X Learning and Discovery and Windows 8 Learning and Discovery. Computer West training courses are offered for a fee and are usually one and a half hours in duration. You can find further information by visiting the Computer West website:

http://www.computerwest.com.au/home.html
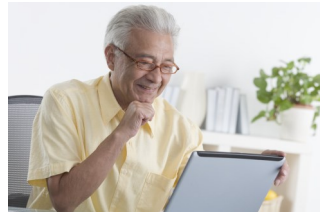

BUSSELTON SENIOR CITIZENS

22 Peel Tce, Busselton
Phone: 9752 2232

Bookings are required for free computer training sessions. These include a coach who will teach you how to use a computer, access the internet, and how to send and receive emails.

Busselton Senior Citizens Centre has a very active and welcoming members' club called **_Busnet_**. Busnet members run courses periodically throughout the year, and hold regular meetings at the Centre. For contact details go to:

http://www.busselton.wa.gov.au/node/205

SOUTH WEST INSTITUTE OF TECHNOLOGY (SWIT)

2 South Street Busselton (turn left from Bussell Highway before the High School and follow the signs).
Phone: 9752 6600

"Develop Your Computer Skills" is available as a part of the NOW (New Opportunities for Women) Course, or the Certificate III Course in Business Administration includes a basic computing course.

JET EMPLOYMENT TRAINING

36-38 Queen Street Busselton
Phone: 9754 1844

Jet periodically offer courses for 50+ year olds when government funding is available.
The courses cover how to use the computer, the internet and how to send emails. Give them a call to see if any courses are being offered in the near future.
